experience

Parsons Making Center 3D Lab • 3D Printing Technician | 2019.02-Present
At the 3D Lab I help students with their 3D print files, as well as giving students suggestions on product CMF (color, material and finish). I am also responsible for checking and repairing all lab equipments.

Feroce Magazine Vol 8 • Published Work | 2019.05
A project focused on re-purposing used footwear into statement intimate garments.

Isla Footwear • Design Executive | 2017.12-2018.05
Developing new concepts for the company's footwear line, providing digital drawings, technical patterns and physical prototypes. In addition, I was also in charge of the company's social media accounts.

IDeA Competition • Participant | 2017
My partner and I designed a marketplace with an operational plan in refugee settlement in Kenya. The Marketplace is designed respects refugee inhabitants' autonomy, creativity and capability with a vulnerable population, and create more community value.

Premio Rometti Ceramiche Rometti & UW • Participant | 2016
A ceramic home lighting decor inspired by and for Rometti productions, which manages to combine their art direction with the functionality.

Operation Smile UW • PR Designer | 2014.09-2016.06
As their PR Designer, I worked on creating flyers, posters, event banners,as well as content for social media in to promote our quarterly fundraising events.

University of Washington • Student Coordinator | 2014.01-2017.08
I worked at University's cafeteria and coffee shops while coordinating student shifts, running inventories, and managed occasional catering events.
